Ref. No. ...RKCP/179/19

Date : ...20/12/19...

Industry Institute Interaction Cell

An active Industry Institute interaction cell (III-cell) has been functioning in the college . The function of the cell is to promote closer interaction between the academic field and the professional field . Industry Institute Interaction cell is established to provide closer links with industries.

The purpose of the cell is to find out the gap between need of the industry and end product of institute. The cell is the bridge between the industry, the real world and the institute. Industrial exposure of faculty is very much helpful to guide students about latest industrial practices.

Cell Members:

- | | | |
